This really is an amazing opportunity to secure over 2.28Ha (5.63 acres) of prime land right on Dunsborough's doorstep. Rarely if ever do blocks like this become available that can offer the best of dual lifestyles. You are only minutes from town and the beach however still have your own private acreage for relaxing and unwinding. Very few locations can or will ever offer this type of living. The block itself is a fantastic mix of beautiful trees and open space and will be just perfect for building your own Down South dream home. It even has a massive shed already in place which is ideal for storing boats and caravans or just a great spot to spend some time in on your block.
