This beautifully located vacant land is a proud part of The Leeuwin @ Witchcliffe. Enjoy a tranquil westward view of the Conservation Reserve, with also an already fenced eastern boundary that backs onto the stunning Public Open Space. The position of this lot offers many opportunities to build your dream home, whilst surrounded by nature. 9 min to Redgate Beach and 1 min to Witchcliffe town, your dream location awaits, but maybe not for long. This lot was one of the first to go when first developed.
