This neat home is ideal for any first home buyers or families. Features include three spacious bedrooms and a smaller fourth bedroom / large home office or play room. Attractive renovated kitchen offering electric cooking appliances, plenty of cupboard space and built in pantry open to the dining area and living room. The living offers gas heating and there is evaporative cooling for year round comforts. Central family bathroom with shower and separate bath and a second bathroom with combined laundry at the rear of the home (needs completing). Good floor coverings through the living area and all bedrooms. Externally the home has a double carport, shed that has been used as a man cave and work space beyond that area. The backyard is easy care and has a manageable grassed area for kids or pets and veggie patch with room for the chooks to roam around in. Large 6KW solar panel system completes this property.
