Step into the charming abode that is 26 Cedric Street, nestled in the tranquil town of Junee, NSW. This delightful three-bedroom brick veneer house presents a golden opportunity for the astute first-time homebuyer seeking a blend of comfort and convenience. From the moment you cross the threshold, be greeted by a generous lounge room, equipped with a split system air-conditioner, ensuring a cosy haven all year round. The dining area seamlessly adjoins a contemporary kitchen, boasting a clear view of the expansive backyard, perfect for monitoring the little ones at play or planning your future garden oasis. Each of the three sizeable bedrooms promises restful slumber, with the master bedroom featuring extensive built-in robes and its own split system for personal climate control. The family bathroom is well maintained, with an additional separate toilet to cater to busy mornings. Set on a level, easy-care plot of approximately 645 square metres, the property includes a larger-than-standard single garage, while mature trees dapple the garden with shade for those lazy summer afternoons. Tucked towards the edge of town within the catchment area for North Junee Primary School, this inviting home offers a peaceful lifestyle. Don't miss the chance to make 26 Cedrick Street your first step onto the property ladder. Come and see the potential this delightful home holds for you.
