Opportunity knocks with this one. Set on a 622m² level allotment close to RSL, Clubs and centrally located in Cumming Street, Bongaree. All of the hard work has been done here including freshly re-painted on the outside. Vacant and ready to move in or buy as an investment to rent. Re-furbished throughout. New kitchen, bathrooms, flooring etc. Side access through a tandem carport to the rear shed. Spear pump for the gardens. A rare opportunity in Bongaree.
