Ray White Wonthaggi are proud and excited to be able to offer 26 Drysdale Street to the marketplace. Beautifully and masterfully built and designed some years ago and has certainly lasted the test of time and will continue to do so with its quality brick work. The family home is located in an exceptional street right opposite the local primary school and only a short stroll of 200 meters to the main street. The land size is an impressive 1003m² with a 20m frontage and superb rear lane access. The brick family home oozes street appeal and upon entry you are greeted with quality hardwood flooring. Featuring 3 well sized bedrooms all with robes, open plan living area, separate dining, large timber kitchen, 2 bathrooms, 3 toilets, laundry and ample storage areas. There is a single extra long garage at the front and a 3 bay garage at the rear. With an abundance of fruit trees, chicken coup and room for all the family to entertain and play. What a superb buy for such a well built home in a great location. \$580,000-\$630,000
