This brand-new townhouse is ready for you to call it home. Positioned perfectly in a quiet corner of the estate, your new home will offer a private and peaceful residence, fitted with all the modern luxuries you would expect: • Gas ducted heating and split system air-con • Stone benchtops • LED downlights • Block out blinds • 6-star energy rating • Professional landscaping

This 3 bedroom home with 2 bathrooms and double garage represents wise buying. Offering so much scope for a couple, family or the investor, this home is certainly a cut above the rest. Spacious and exceptionally designed for maximum liveability, this townhouse showcases naturally flowing living spaces and sun-drenched north facing living areas. Enjoy making your favourite dishes in your fully equipped kitchen with European stainless steel appliances. All bedrooms have plush, warm carpets and built in robes. If you're hybrid working, you'll have the option of turning the 3rd bedroom into a home office. Gas ducted heating is provided throughout to keep your home cosy. When the weather is great, have guests around for a BBQ and entertain in your low maintenance, landscaped backyard. So close to shops, schools as well as transport, this home is ready for you to inspect. Please call or email to organise a time to take you through this quality home.
