\$1,150,000

Introducing an exquisite property, built by Warren Family Homes in the sought-after Ocean Heights estate, Elliott Heads. This stunning two-story residence boasts captivating ocean views and a remarkable upstairs entertaining deck. Opportunity for dual occupancy, it features spacious accommodations, including substantial car and boat storage with room for RVs and caravans, securely undercover. High clearance garage: 8800 deep x 4280 wide with 3200 high x 3500 wide panel lift door. These dimensions provide ample space for parking and storage, adding practicality to the property. The property, a mere 4 years old, offers side access into the backyard, complemented by both upstairs and downstairs entertaining spaces. Revel in the exceptional quality that defines every corner of this home. Why build when you can secure a property of this calibre. Watch this space closely to secure the opportunity to make this beautiful home your own. This gem of a property will be available next week, complete with enticing photos. Don't miss the opportunity to call this coastal haven yours. Experience the allure of privacy and elegance that this property graciously provides. A harmonious blend of exclusivity and refined sophistication awaits within this inviting space.
