Generously proportioned with uncompromising quality and attention to detail, a wide entrance hall makes a bold first impression, introducing a home office/5th bedroom, a modern bathroom and a lounge room with doors that can be closed off when required. Setting a relaxed and inviting tone, make your way through to a vast open plan living room, dining zone and a divine kitchen appointed with a long island breakfast bar smothered in stone, high-end Smeg appliances, endless storage space and a butler's pantry. Head upstairs to find the indulgently large master suite, featuring a private balcony, a large dressing room and a deluxe ensuite with a double rain shower, a relaxing bathtub and dual stone-topped vanity. Three remaining bedrooms share an ultra-stylish main bathroom finished to the same standard. Large floor-to-ceiling doors from the main living areas invite you outdoors to a manicured backyard highlighted by a large semi-covered deck with a floating bench seat, eye-catching bluestone paving and plenty of room for the kids and pets. A long list of extras includes zoned ducted heating and refrigerated cooling, double-glazed windows, premium wide oak floorboards throughout, R6 insulation, a 7000L water tank, irrigation system and a double auto garage with workshop space and internal access. In an established neighbourhood footsteps from parkland, and walking distance from Forest Hill Chase, Holbury Children's Centre and bus services with proximity to Burwood One, Blackburn South shops and cafes, Blackburn Lake Sanctuary, The Glen Shopping Centre, Blackburn Station Village, and a wide range of local parks and leisure facilities, well-regarded schools and Deakin University.
