What a stunning home! So neat and tidy that you'll want to move your family straight away. There is absolutely nothing to do and you can reap the benefits of your move the moment you enter the cool, secure Dutch front door and step into the freshly-decorated interior. At the rear of the house, the hallway opens up into the open-plan living room/ kitchen/ dining room which forms the heart of your family space. The sliding doors lead seamlessly to the alfresco entertainment area and the garden beyond, and electric window shutters add a touch of luxury. The fan in the alfresco area will keep you cool on the warmest summer evening. The kitchen is everything a homemaker or entertainer could desire. The island breakfast bar overlooks the family area, allowing for conversation with guests or supervision of after-school excitement. You'll love the preparation space and the storage—so much storage! The window above the electric cooktop and oven adds to the light-flooded room, which boasts a range hood, dishwasher, pantry, and space for the largest family fridge. The split-system air-conditioning and fans ensure perfect year-round comfort. Air-conditioning also features in the Master bedroom and 3 of the other bedrooms, while the Master also enjoys an overhead fan, a spacious walk-in wardrobe, electric window shutters and a very stylish ensuite. The double vanity is a wonderful convenience, and the huge shower—with double shower heads—is perfect for...sharing. There are 4 other double bedrooms—3 with built-in wardrobes. One could easily be imagined as a second lounge room, or a work-from-home option. These are very well served by the large family bathroom with separate wc—the perfect solution to busy family mornings. The double garage with remote opening and internal access is large enough for a workbench or additional storage, and the garden shed is perfect for keeping the outdoor items tidy. The garden on this lovely 902.4sqm property is secure and easy to maintain, has rear access for a boat, trailer or motor home, and the property is well protected by security cameras. Located very close to schools and pre-schools, this excellent property is not far from the shopping centre, eateries, sporting facilities and entertainment options. It's the perfect home in the ideal location, and you don't have to lift a finger before you move in. What more could your family need? However, you won't be the only ones thinking exactly that! This type of property flies off the market. Blink and it's gone! So, call today and secure it as soon as you can. Your family will love you for it.
