"With widespread projections of increasing house prices in 2024 this could be the cheapest house left in Officer." Make no mistake, there are no body corporate fees, strata fees, adjoining walls or common areas. This is a standalone home! And standing proudly in the estate of Park Central you'll be surrounded by some of Officer's most welcoming neighbours. Walking distance to shops, schools (both primary and secondary), parks and public transports make this location rather enviable. The house is a cute, functional home featuring:- Three bedrooms, master with en-suite and walk-in robe;- Open plan living/dining room;- Modern kitchen with stone bench tops and plenty of cupboard space;- Single car remote control garage;- Decent back yard, block size just shy of 300sqm.
