Most of the hard work is done, the vendors have done a great job with renovations so far. If you've been searching for a family holiday home in the well sought after Moonta Bay area, you might want to take the time out to view this one. Located only 750m to the beautiful Simms Cove, you'll be able to enjoy many family holidays and getaways here. Downstairs you will find two bedrooms, a lounge room with reverse cycle air conditioning, bathroom with bath and shower, separate toilet, new modern kitchen and dining, new floors through out. Upstairs there is a further 2 bedrooms. The property is to be sold WIWO. One of the best features for this property is the decked verandah out the front to sit and enjoy those summer nights, then just a hop, skip and jump to the beach for that quick swim to cool off. The property does have a 6.6KW solar, a good sized back yard and there is plenty of storage areas with a D/B garage out the back and garaging UMR. To arrange a private inspection and to see what else this property has to offer, please call Sales Consultant Seah Williams on 0428 620 379.
