If you have been looking for a very solid and dependable home, then look no further and welcome to 26 Jamieson Street in Mareeba. Constructed of double brick external walls and masonry block internal walls, you won't find a more solid home on the market at this price. The home features low maintenance tiled flooring throughout the inside. It has just had all internal walls and doors repainted, updated electrical including all new fans and the majority of lights replaced, as well as two new split-system air-conditioners, all of the maintenance has been done and the property is fresh and ready for a new owner. At the front of the home there is a spacious lounge room which is open to the dining room and large kitchen which is complete with heaps of bench and cupboard space and modern cabinetry. It also features a large glass cooktop and stainless steel rangehood as well as an electric stove and a dishwasher. Down the hall there are three good sized bedrooms, all with built-in wardrobes, two feature split-system air-conditioning and one also has a built-in desk, perfect for an office or a craft room, or one of the kids to be able to do their homework in their room. The bathroom is convenient to the bedrooms and has also been refreshed with a new shower screen, new vanity and some new tiling as well. The toilet is separate and the area adjacent also provides for access onto the patio which leads out to the large laundry room. The tiled and covered rear patio is almost the full length of the home. It is East facing, so it is perfect for an afternoon BBQ or just a nice place to hang out with family or friends. There is a nice little pergola off the back of the home, great for a shady spot to keep pots and planters. Out the back there is a 5m x 3.5m (approx.) masonry block shed with power connected, a great storage space for your garden tools etc. or even a handy little workshop. All this on a low maintenance 800m² fenced allotment with landscaped gardens at the front.
