\$1,120,000 - \$1,200,000

Tightly held by the same owner for over 4 decades, this freestanding, three bedroom, two bathroom home resides on a brilliantly big block of approximately 687m² in the esteemed Strathmore College zone. Flowing from a front lounge to a huge, fully equipped kitchen, dining and family room, then out to a large, covered entertainer's deck, it's got plenty of space indoors and out. Featuring a deep bath and walk-in rainfall shower, the main bathroom is modern and stylish. Bedrooms come with robes and in addition to a second bathroom/laundry there's a handy powder room and storage. A long features list, providing immediate appeal, includes solar panels, heating, air conditioning, a long side driveway, sheds and four car garage. Easy enhancement potential introduces the idea of other tempting possibilities, including building your new dream home or bringing a smart boutique development to life (subject to relevant approvals). A stroll to transport, Coburg North Village, Raeburn Reserve and schools, convenience is key and the scope superb.
