\$880,000 - \$940,000

This property is the definition of home, delivering space designed for comfort, light-filled interiors, and the freedom to make it uniquely yours. Presenting a desirable arrangement over a single level footprint with soaring ceilings and walls of windows, the large home supports family values of connection and space while respecting the need for privacy. Two light-filled and expansive living areas including the kitchen/dining/lounge and large family room with open fire adjoin each other and the covered entertaining area outside, maintaining a constant visual link with physical separations giving everyone the freedom to do what they want and still be together. The generously sized kitchen and meals nook, with a vintage pink palette echoing its origins, is well-equipped and set out for easy use. Four spacious bedrooms offer personal retreats, and the luxuriously large master bedroom's open ensuite with twin basin vanity and bath is an invitation to unwind. The backyard extends your living space, providing room for play, gatherings, and relaxation. With a covered alfresco area to enjoy year-round entertainment, here you can celebrate life's milestones surrounded by loved ones. Two crossovers and a double remote garage offer parking flexibility, accommodating your lifestyle and growing family needs. Ducted heating and reverse cycle air conditioning ensure year-round comfort. Located in the Dress Circle, this property is well placed to enjoy a balance of quiet and convenience just a short walk to Chirnside Park Shopping Centre, and close to playgrounds, schools, and transport. Embrace this property for all the reasons a house becomes a home and give your family a life to love. SMS '26KIRK' to 0488 824 387 for more information.
