Nothing has been forgotten in this home. The commanding cathedral ceilings accentuate the size of the main living space and the beautifully appointed kitchen that is complete with butler's pantry, dishwasher, 900mm gas stove, island bench with double stainless-steel sink plus an additional tap near the stove for convenience. There are 4 bedrooms each with an ensuite bathroom as well as another full bathroom plus W/C in laundry. Each bedroom has its own reverse cycle air conditioner, built-in robe or walk-in robe and ceiling fan. There is also a study or 5th bedroom complete with computer desk plus internet facilities. There is a double garage at the front of the house that has had a council fully approved conversion to another large room that can be easily reverted to garage facilities. Perfect for extra accommodation as it has its own separate access. At the front and rear are huge covered entertaining decks with views of St Georges Basin from the front deck and the upstairs rooms. Cleverly designed with prewired internet cables, illuminated touch switches for lights, alarm system, solar panels & camera security. This stunning property will be newly painted inside and out.
