This charming 3 bedroom residence has been freshly painted and features polished timber floors throughout, recently renovated bathroom, ducted air conditioning for comfort, updated kitchen complete with a dishwasher and master bedroom with built-in robe. It offers a versatile floorplan (see generous room sizes on floorplan) with an extra family/dining room plus rumpus room with fireplace, separate lounge and casual dining area adjacent to the kitchen. The property also includes large laundry with second toilet and ample storage, carport behind gates (and room for additional driveway if required), spacious backyard, pergola area ideal for entertaining, and garden shed. Nestled in a highly desirable enclave of South Penrith on a spacious block, this home offers a perfect blend of comfort and convenience.
