Experience the pinnacle of modern living in this meticulously crafted custom-built home, just 3 years young. Nestled at the end of a quiet cul-de-sac among other brand-new residences, this property offers the perfect blend of convenience and tranquility. Boasting three bedrooms, with a fourth that can serve as a spacious study, and two pristine bathrooms, it provides ample space for a growing family. Immaculately maintained and exuding contemporary elegance, this residence is the epitome of low-maintenance living. The heart of this home is a light-filled kitchen with stone benchtops, ideal for culinary enthusiasts. The professionally landscaped surroundings enhance the property's allure, creating an inviting outdoor space for relaxation and entertainment. With easy access to both Mansfield township and the serene Botanical Gardens, this prime location is a rare find. Don't miss the opportunity to call this modern gem your own. It's a home that seamlessly combines comfort, style, and convenience. Contact the team today to arrange a private inspection. Additional features:- Master bedroom features an ensuite and WIR- 2 Additional bedrooms with robes plus 4th bedroom or study- Light filled kitchen with stone bench tops and spacious walk-in pantry - North facing, covered alfresco that seamlessly flows from the living and dining areas- Open living and flexible family room plus split system and euro fireplace- Main bathroom features a modern bath and a separate WC- Double garage with remote controlled panel lift door- Automatic watering system for the garden- Split system in master bedroom**Disclaimer**All information about the property has been provided to Ray White by third parties.
