Being offered for the first time in 59 years is this 3 bed 1 bath mid-century home, sitting on an incredible 847sqm piece of land with the most stunning outlook, directly opposite the beautiful playing fields of Wembley Downs Primary School. A loving family home since 1964, this property is prime for a modern extension and renovation, or you could utilise the site for its sub-division potential. With so many options available, you won't want to miss this incredible opportunity. The home itself is very appealing, with a large under-croft double garage that has been extended to include a workshop, storeroom, and potential home office. The elevation also provides a stunning vista from the large front balcony. Stepping inside, you will find three spacious bedrooms with the master directly off the entry. To the other side is the first of two living areas with a very large lounge room that takes in the beautiful views. The kitchen links the front living to the second living area, providing good separation for families. The bathroom is generous in size and has undergone previous renovations. Outside, there is just so much space, with a couple of outdoor entertaining zones, a lawn area, a garden shed, and citrus trees, all framed by old-growth trees that this stunning suburb is renowned for. This is a very special property that will move fast, for further information please contact Matt McWaters on 0401 792 222 or email teammcwaters@harcourtsempire.com.au
