This immaculate charming family home emanates street appeal from the moment it catches your eye with manicured gardens and a stylish facade. The exquisitely designed kitchen features a large island Caesarstone benchtop, stainless appliances, an ample-sized walk-in pantry, and no shortage of storage space. Overlooking is the spacious open-plan main living and dining zone that seamlessly connects out onto the generous alfresco and surrounding low-maintenance backyard. The master bedroom features a large walk-in robe and a stunning ensuite with quality fixtures and fittings throughout. All additional bedrooms feature built-in robes and the added bonus of two including their own ensuite as well as the large family bathroom. Catering to the whole family's needs, you will love the additional living space/5th bedroom providing a versatile design. Added features include laundry, ducted heating, blinds fitted, a remote-controlled garage, and much more! The beauty of Mt Pleasant is that it has been planned with the family in mind with rolling hills surrounding the estate with great walking tracks, a brand-new children's park, and a footbridge across the creek from the estate to Toomuc Valley Road and within walking distance to Lakeside shopping strip along with childcare and Beacon Hills College.
