This large brick house consists of two lots making it perfect for a duplex site (STCA) at approximately 450 square metres. The house includes 6 bedrooms, three which include built-in wardrobes. There are also 2 bathrooms with 3 toilets in total and a large kitchen space. There is tile flooring throughout and the property features a porch out front, two car spaces in the carport and a large shed out back. Conveniently located approximately 10 minutes walk is Canley Vale train station and shops. Also close to schools and parks.
