Surrounded by nearby parks and wildlife, it's also walking distance to the local primary school. With a traditional back yard it's perfect for a growing family. Polished boards and light neutral colours throughout give the home a lovely bright feel throughout. There's 3 good sized bedrooms, all with robes, and an updated bathroom with floor to ceiling tiles, sophisticated tapware, a big deep bath tub, plus a generous shower alcove with luxurious rain head. Handy built-in shelving has been added to the generous separate laundry. You'll love the full-length pergola and pretty rear garden with plenty of shade plus good-sized lawn area for kids and pets. There's even a sweet little cubby house to further keep them entertained. A carport with roller door provides drive through access to a basic single garage at the rear. There's plenty of secure off-street parking for additional vehicles or your trailer. Located a few steps from the Brodie Road Reserve Wetlands for a fabulous outing with the kids, grandkids or family pooch. This home is also handy to arterial roads including the Southern Expressway and Main South Road for easy access to the city, and only a few minutes' drive to all the local amenities you could ever need including the fantastic Colonnades Shopping Centre. \*\*All floorplans, photos and text are for illustration purposes only and are not intended to be part of any contract.
