This 3 bedroom, 2 living area, 1 bathroom home on a corner block is just ready and waiting for a creative mind to bring it to its full fruition. The two main bedrooms are sunny and spacious and the third is ideal for a study or hobby room. Timber floors add style and a gas heater and reverse cycle air-conditioning keep you comfortable all year round. Sun is also a feature of the second living area as it overlooks the large north facing backyard. The backyard is very functional with its large shed plus workshop and would also benefit from a creative eye and gardening skills. A single carport is to the side of the house.
