Cute little cottages like this one are becoming quite rare, and when they have been renovated and opened inside they are even better. This lovely 3 x 1 at the Northern end of Rifle Range Road sits close to the Primary School, Aldi, Adams Store and super close to the Geraldton Golf Club and Aqua arena. All the bedrooms are finished with quality carpet and painted in neutral colours and the kitchen has been opened to have a lounge dining area. There is a good sized shed down the back with large trees, veggie garden, and plenty of room for a gazebo or pool, solar panels and much more. The block itself is 769 M2 and is fully fenced with a lovely white picket fence and large shrubs for extra privacy. These properties are being snapped up due to the closeness to the CBD and the way Geraldton is growing this one will not last long. If you would like to know more, please call Trish Longva at Elders Real Estate Geraldton on 0429654999 to arrange a viewing.
