Introducing this exceptional family home located in the heart of Mill Park. The master bedroom is equipped with a walk-in robe and ensuite, the remaining 3 bedrooms all include a wardrobe, whilst the final room can be converted into a study/bedroom/guest room. This house has purposefully been designed to fill this home with natural lighting, a modern kitchen with a dishwasher, a separate dining room to eat as well as a large family room to spend time with family and friends. The family room is connected to a substantially enormous rumpus room that is perfect for all year round entertainment. Lastly, the generously sized pergola also includes an undercover BBQ area as well as a beautiful backyard area. With Westfield Plenty Valley Shopping Centre located only 4 minutes away, Plenty Gorge Park only 7 minutes away RMIT University 5 minutes away and public transport all around, the opportunities are endless to make this a forever home. Furthermore, this gigantic land (sized: 933sqm) was previously permitted to build 4 townhouses.
