\$300,000

Do you have an eye for detail and appreciate good craftsmanship? This solidly built four bedroom, one bathroom, concrete block home features great traditional construction practices. They don't build them like this anymore! Just a short distance from the Mareeba CBD this home features an open plan kitchen & dining area, with plenty of storage opportunities in the kitchen. The large living space is just off to the side of the kitchen, and has double sliding glass doors to the front patio. The home has four well-sized bedrooms, and two of which feature large built in cupboards. The family bathroom is a good size with a separate shower and tub, and the toilet is also separate. Some great additional features to the property are the security screens on all windows and doors, tiles throughout the home, and built-in cupboards in the hallway off the kitchen. The 708m² allotment has rear access through one of the carports to the backyard. There is also front and rear patios on the home, perfect to enjoy a cool afternoon. - Solid concrete block construction- 4 bedrooms, 2 with built-ins- Family bathroom & separate toilet - Combined kitchen & dining space - Large lounge area- Tiles & security screens throughout - Only minutes to town- 708m² allotment- 2 separate carports with rear access- Front & rear patios To find out more or arrange a Private Inspection contact EXCLUSIVE Agent Vince Costas on 0419 926 691.
