Price Guide \$1,375,000

This attractive & well-presented G.J. Gardner home has been built on a generous scale & perfectly created for modern family living. This residence offers a variety of living spaces for all the family to enjoy with the perfect layout offering the effortless flow of this design with flexibility & spacious living with loads of natural light, with quality finishes & extras throughout. It boasts both comfort and style and is situated in the popular Vista Parkway Estate of Wongawilli. This gorgeous property offers 5 generous bedrooms with BIR, spacious master retreat with WIR & ensuite, a bonus versatile space/computer nook, modern bathrooms, and a home theatre room for all to enjoy. The gourmet kitchen is in the perfect central hub of the home including stainless appliances, stone island bench with breakfast bar & a walk-in pantry, and of course the oversized open plan lounge/living and dining area, which continues the seamless transition to the well sized outdoor alfresco with fireplace & ceiling fans, presenting excellent entertaining surrounded by neat gardens & private backyard. The home offers a great lifestyle and is conveniently located in this delightful neighbourhood. Don't miss this ideal opportunity to secure this amazing family home.
