Perched on an expansive plot of land, this exceptionally situated residence boasts an elevated main living space and an outdoor entertaining area that commands breathtaking views of Mansfield's town and the surrounding mountain ranges. The property offers a seamless connection to nature, with an easy stroll through the enchanting botanical garden leading directly to Mansfield's vibrant high street. Crafted with quality, this well-built 5-bedroom brick home showcases a thoughtful design with both lower and upper levels capturing picturesque views from every window, enhancing the overall charm of the residence. The upper level boasts two ensuite bedrooms, including a master suite featuring a renovated ensuite, WIR, and expansive sliding doors that open onto the top balcony. The open living space, encompassing dining and lounge areas, provides an inviting haven for large families to gather and relish in moments together. On the lower level, a supplementary lounge room complements three additional bedrooms, with built-in robes, along with a large original main bathroom. External access leads to a covered pathway, connecting to the enchanting tiered established garden adorned with an array of native flora, adding to the property's allure. Additional features include; - Double glazed windows and doors through the upper level - Ducted evap cooling throughout - Floor heating and gas wall heater - Automatic blinds in the master bedroom - 9ft ceilings- Large double garage with automatic door - Fully fenced yard
