Step into a world of contemporary luxury at this stunning Saltwater Coast home. The moment you enter, you'll be captivated by the warm floorboards that stretch throughout the house, creating an inviting and cozy ambiance. The open-plan living, dining, and kitchen area is nothing short of breathtaking and features an abundance of natural light that floods the room, creating a serene environment. The kitchen is an absolute dream, boasting a 900mm oven and cooktop, ceramic sink, built-in pantry, and exquisite cabinetry that complements the space perfectly. The view from the kitchen overlooks a private and low-maintenance backyard, which can be enjoyed from the comfort of the alfresco area that comes complete with a louvre ceiling that can be opened and closed. The living room is the epitome of comfort and features a cozy fireplace that is perfect for relaxing in on chilly evenings. The house offers four spacious bedrooms, each designed with luxury and comfort in mind. The master bedroom features a ceiling fan, walk-in robe and a stunning ensuite, which has been recently renovated and boasts stone benchtops, a frameless shower, and floor-to-ceiling tiles. The remaining three bedrooms are equally impressive, each with double-door built-in robes, and are centralized by the main bathroom, which also features stone benchtops, ceiling-to-floor tiling, a frameless shower, and a free-standing bathtub. For those who work from home, there is a dedicated room with a built-in desk and ample storage options. The house also comes with a double car garage that has an internal entry, 6.6KW solar panels, landscaped front and rear gardens, ducted heating, split-system cooling, and a gorgeous laundry with ample storage space and external access. The location of this remarkable home is just as impressive as the house itself, situated in the Saltwater Coast Estate, which offers access to gym and pool facilities. The property is within walking distance to Saltwater P-9 College, Homestead Senior Secondary, Saltwater Reserve, and local amenities that are approximately 650m away. Freeway access via Point Cook Road, Sneydes Road or Palmers Road, public transportation in close proximity, and wetlands adjacent to the house make this an ideal location for those who love convenience and nature.
