An Ex Defense house in Richmond Gardens, a great place to live.

This property is on a 680m² block, so plenty of room to move around.

On entry you have a good size single Garage with a roller door, Plus access to a fully enclosed brick Garden shed or Storage room.

This brick and tile home was built in 1984 and there is a good size entry to the front of the house and it opens up to a large formal lounge room and a dining room off to the side. The Kitchen has a gas stove, double sink, pantry and a good amount of bench space. The kitchen overlooks the family room, plus meals area. The main bedroom has a four door built in robe and is carpeted, and the two minor bedrooms have both got two door built in robes and carpeted. The main bathroom has a separate shower and bath and the house has plenty of storage cupboard space, and there is a gas storage hot water system connected. Then when you go out the back door there is a Timber pergola which has a colour bond roof on it and it overlooks the rear retic lawns.

This is a great place to live or have as a rental property. Be quick to view.
