Here is your opportunity to purchase a unique family home that is has an enormous amount of potential. Situated on a 769sqm allotment, this highset residence is within excellent proximity to parkland, local schools, sporting fields, the Biloela Hospital and Bowls Club. The home boasts an air-conditioned living room which flows through to the dining room and kitchen. All three bedrooms are air-conditioned and have built-in wardrobes. They are serviced by the family bathroom with a separate toilet. For those that love being outdoors, the fully fenced back yard with an inground saltwater swimming pool is the perfect haven for the family. It is complete with side vehicle access to the 2-bay powered shed. The enclosed area underneath the home has ample storage space and secure car accommodation for two vehicles. This is an exciting opportunity that offers location, lifestyle, and development potential. Contact Bronte at Ray White Biloela to arrange your private inspection before you miss out.*Approx
