If you're looking for your first home or an investment property, this affordable house on a generous 859m² block is perfect for anyone seeking a prime location and a relaxed lifestyle. Centrally situated near schools, shopping, medical facilities, and essential amenities, this home offers convenience and comfort. Featuring four bedrooms, the master bedroom is thoughtfully positioned away from the others, creating a perfect family-friendly design. The master bedroom includes an ensuite, air conditioning, and ample wardrobe space. The kitchen stands out with its beautiful timber benchtops and a walk-in pantry, ideal for the chef in the family. The spacious dining and living area are perfect for family gatherings and celebrations. An additional spacious living area, also featuring air conditioning, captures beautiful breezes year-round, providing a relaxing and enjoyable atmosphere. Three other spacious bedrooms offer plenty of room for a growing family, guests, or a home office. Entertaining is easy with the undercover area overlooking an expansive, immaculately manicured backyard lined with trees and greenery, providing privacy and space for children to play and pets to roam. The property is fully fenced, offering extra security and peace of mind. For those needing additional storage, a 7m x 3.5m shed is ready to secure all your belongings. Located in the prime area of Hervey Bay, this home ensures minimal commuting time and the convenience of walking to nearby shopping centres and amenities. Whether you're buying your first home, looking to retire, or seeking an investment opportunity, this property is waiting for you. What you will love about the property:

- Four Bedrooms, 3 with Built-ins
