Auction Location: On-Site A joint venture between Anchor Building Services and funding partner Acquire Capital, this five-bedroom home is the ultimate family and entertainers' sanctuary. Boasting a lavish swimming pool, refined interiors, incredible entertainment options, a wine cellar and a rare four-car garage, 'Alto' is a testament to quality craftsmanship and thoughtful design. Just minutes from Indooroopilly Shopping Centre's many retail and dining options, this 456sqm tri-level property is a tasteful design collaboration with Invilla Architecture, North Interior Design and ECRU Design Studios. Making a marvellous first impression with its contemporary facade and striking Knotwood screening, the north-facing residence also showcases an Artisan exterior Cordillera stone wall and beautiful landscaping. Inside, you will find elegant details such as venetian plaster feature walls, curved doorways, a sweeping staircase, engineered European oak chevron timber flooring and lofty ceilings. Completed in January 2024, the home encompasses a spacious open-plan living and dining area on its middle level. Capturing fabulous natural light, this immaculate central space is punctuated by a walk-in 100-bottle wine cellar. There is also an indoor-outdoor front rumpus room looking out to picturesque street views, creating an enviable work-from-home space or casual living area. The hub of this family home is a dream gourmet kitchen displaying a fluted-stone island bench and a butler's pantry. This spectacular culinary space is also equipped with a full suite of Miele appliances, travertine stone benchtops, brushed brass tapware and ample cupboard storage. Extending the entertainment options, a covered rear patio has a full outdoor kitchen with a built-in BeefEater barbecue and an outdoor fridge. Steps away, a fully-fenced rear yard boasts premium synthetic turf, a sparkling in-ground swimming pool, an attached terrace, an open-air terrace and established gardens. Also on this level is a full bathroom, as well as a sizeable fifth bedroom or study benefitting from patio access. Upstairs, a generous media room is accompanied by a dedicated study with integrated desks. An opulent and private retreat, a large master bedroom features a walk-in robe and a private balcony commanding city views. Equally luxe, a connecting ensuite has floor-to-ceiling tiling, dual vanities, a spa bath and a separate shower. Another three ensuite bedrooms showcase built-in robes. Complete with a secure four-car epoxy-floored garage and a storage area on the ground level, the property also includes an internal laundry, zoned ducted air-conditioning, ceiling fans, Control 4 amplifier, a speaker system, wool carpeted floors in the bedrooms and fully-insulated walls, ceilings and roof. Close to Moore Park's sporting facilities and playgrounds, this phenomenal residence is a stone's throw from Indooroopilly shopping centre, city-bound bus stops and the Indooroopilly train station.
