OH, WHAT A BLOCK

Are you ready to roll up your sleeves and get your hands a little dirty? This one's going to need a bit more than paint and carpet!!

What's on offer ... a classic 1950's three-bedroom, one bathroom home on 2,032 m² with rear lane access. Additionally, the property includes a second building containing a single lock-up garage with mechanics pit plus two room mancave/shed (fully lined) area for use of your choosing.

Unfortunately, 26 Umangal Street has seen better days and is in need of a makeover, exactly what the entail is up to you. That said anyone prepared to do what is required can also look forward to all that the chilled-out lifestyle of Wongarbon village has to offer.

The owners are ready to move on, so anyone looking for a project or is an aspiring DIYer or trades person check this one out, but don't wait too long this potential packed slice of village heaven won't last.
