This fantastic relatively flat building block in prestigious Tods Corner is an opportunity that needs to be considered! Set on the Eastern shoreline of the highly rated trout fishery of Tods Corner and only a short drive to pubs, stores, fuel stations and the local general store this block could not be better located. With glimpses of the bay and out to The Great Lakes, set privately at the end of a quiet street but with the practicality of being on the corner allowing for multiple driveways to future sheds etc. Blocks in this area are tightly held and as such this property will not last long, for further information or to book a viewing please call the listing agent Kurt Knowles today!Disclaimer:While Harcourts Ulverstone & Penguin has taken every care to verify the accuracy of the details in this advertisement, we cannot guarantee its correctness.
