This inviting bright north facing home is great for a lucky family to move in for the space, quality and location. Rich timber floors and oversized windows set the scene inside where an open plan living and dining zone with open fireplace embraces a sleek stone kitchen boasting quality stainless steel appliances and a lustrous glass tile splashback. Each of the three primary bedrooms offers built-in robes and share the bright bathroom with separate WC. A separate lounge offers more space to enjoy - it has the option to be used as a fourth bedroom if required and boasts access out to the garden. Outside, the alfresco deck is warmed by winter sun and shaded in the summer, making it perfect for entertaining throughout the year; the garden is secure to let the kids play. A laundry with access to a low maintenance courtyard is also offered along with heating, air-conditioning, split system, solar hot water, shed and double carport. Zoned for Cheltenham Secondary College, just minutes from Le Page and Cheltenham East primaries, this family precinct is close to Southland and its new station and is serviced by buses.
