With its spacious and versatile design, quality appointments and impeccable presentation throughout, this double-storey home delivers an exceptional family lifestyle in a blue-chip Strathmore neighbourhood. Filled with natural light, the previous extended interior showcases a large master bedroom with WIR and deluxe modern ensuite, as well as two additional large bedrooms (BIRs), main family bathroom and guest powder room (third WC). Further emphasizing its flexible floorplan is the inclusion of a formal lounge and formal dining room (potential 4BR), expansive open-plan living area and adjoining kitchen/meals with stone benchtops/breakfast bar, solid oak cabinetry, ample cupboard space and premium European appliances. Other fine features of the home include zoned ducted heating and evaporative cooling, high ceilings, alarm system, ducted vacuum, as well as a large laundry and excellent storage options throughout. Double doors reveal an alfresco entertaining area including mains-connected BBQ and sunny backyard with established perimeter gardens and high fences for privacy, plus a remote-control garage and two additional front off-street parking spaces. The best of Strathmore at your fingertips including village shops and cafes, local buses and the open spaces of Napier Park, it's also close to Strathmore Primary School and Strathmore Secondary College (zoned to both), along with easy access to Strathmore Station and Citylink.
