Elevated on the 26th floor of the modern Whitehorse Towers complex, this streamlined apartment presents an attractive opportunity for first home buyers and investors alike. Its north-facing aspect ensures a steady stream of natural light, complemented by unobstructed sky and treetop views from the covered terrace – the perfect spot for outdoor entertaining. The living and dining room is generous, featuring a full-length window wall with sliding doors that fluidly blend indoors and out. The open-plan kitchen is designed for functionality, equipped with a stainless-steel oven, gas cooktop, and generous benchspace for hassle-free meal preparation. The main bedroom comes with a walk-in robe and an ensuite bathroom, while the second bedroom is conveniently located next to another chic bathroom. Additional amenities include a split-system air conditioner, contemporary floorboard finishing, dedicated car space, video intercom entry, and an on-site building manager. Residents have access to an array of recreational amenities within the complex: a luxurious rooftop swimming pool, a BBQ area with panoramic views, a well-appointed gym, a private function room, and a residents' lounge. On-site restaurants further enhance the living experience. The location in the zones for Box Hill High School and Mont Albert Primary School is a highlight. Public transport is a breeze with the 109 tram stop and Box Hill Station steps away, along with Box Hill Central, Box Hill Tafe and Box Hill Park. The nearby Eastern Freeway provides easy access to Melbourne CBD and beyond.
