\$800 PW

On Point Property presents this stunning apartment in the heart of Maroochydore Business District so close to everything you need. The moment you enter the grounds of Horton Apartments, your senses are aroused - The sound of lorikeets at dusk, meandering paths through beautiful landscaped gardens, and the scent of blossoms give the sensation of being on holiday, even when you live here. Horton Apartments offer easy access to almost anything - The Sunshine Plaza is directly across the street and you're only a short stroll to popular world class restaurants in the new Maroochydore CBD and the Ocean Street entertainment precinct. Lets not forget you are also only a few mins away from trendy Cotton Tree and Maroochydore Surf beaches. This makes it a perfect location to live. The facilities give the impression of a resort rather than apartments, with a choice of a Lap Pool with heated Spa or Resort shaped swimming pool and tables where residents congregate, gated areas which require key access, poolside barbecues inviting summer entertaining and a well appointed gym, which is a great place to unwind after a busy day and meet other residents. The interior is modern and simplistic. The living, dining, and kitchen areas are open-plan with a durable granite-topped breakfast bar and glass splashbacks. Natural light from large windows bathes the main bedroom, and its ensuite is very stylish with large Bath and plenty of wardrobe space and is cleverly designed with modern frosted glass. The remaining bedroom is spacious with built-in wardrobes, while a second toilet and bathroom offer flexibility. Air conditioning to the master bedroom that outlooks over the large outdoor area into the bushland and air conditioning in the living area. Lift access links your 2 designated underground car spaces for this apartment. As the elevator doors open, your apartment is just a few steps to the right. NOTE/ 2 car accommodation in secure underground car park. Available 17/5/24 Call Leigh Today to get a viewing
