\$485,000

This cozy cottage is one of a kind. Situated on 1.25Ha just a few minutes to town, this property could be your next family home or your country weekender. Offering rustic charm throughout the home consists of four bedrooms- the master bedroom with an ensuite, tiled main bathroom, kitchen with original Metters stove, dining room and spacious living room with woodfire. With a fully fenced house yard for children and pets, and separate paddock with dam for the sheep or horses the property accommodates a large double garage and separate workshop/ mancave space and ample space for caravan or trailer parking. Additional features of the property include a bore, solar panels, and rain water tanks. Small acreage is hard to find, don't miss this opportunity to secure a desirable amount of land with a home that can be further updated and made your own.
