Located off the main road with nothing needing to be done is this very low maintenance home that is ready to either move straight in or rent out. This home features a functional open plan layout which gives the home a feeling of space and receives great natural light throughout the day. The kitchen is an open space with lots of light, has ample cupboard storage and a handy breakfast bar. This living area is heated and cooled by the reverse cycle air conditioner. The two bedrooms are a good size, both including built in storage with the master having a reverse cycle air conditioner for all year-round comfort. The bathroom has both a bath and a shower with a separate toilet next door. The laundry has ample storage and gives internal access to the lock up garage. Outside is securely fenced and very low maintenance making it the perfect home for pets and children. Whether you are looking for your first home, your next home or an investment property, this place is sure to tick a lot of your boxes. For your inspection, please call Duncan Morrison at Ray White Launceston today. *Ray White Launceston has no reason to doubt the accuracy of this information which has been obtained from sources considered to be reliable; however, we cannot guarantee it.
