818m2 of flat fenced land in the heart of established Hadspen. Titled issued, ready to build now. When the average block in new sub-divisions is priced around the \$295k plus mark, this has to be good buying! Not suitable for units just (1) residence. Be quick as this is as good as it gets in this market. M Boutique Real Estate has no reason to doubt the accuracy of the information in this document sourced from means considered reliable.
