A flawless design by the admired EMK Architects, this recently completed home epitomises luxury suburban living. A striking façade clad in Western red cedar hints at the stunning quality that lies beyond the door, with a cascading layout, curves, galleries of skylights and soaring ceilings up to 5.8m high creating points of architectural interest. Engineered oak floorboards, surfaces of Turkish marble and smart technology combine to deliver a high calibre home that flows over two voluminous levels. In a cul-de-sac style street, the home is set a walk to Chifley Sports Reserve, Chifley Public School, playgrounds and buses, with Malabar and Little Bay beaches just a quick drive away.- Indoor-outdoor living domain with gas fireplace & 3.6m ceilings- Vista views towards the Blue Mountains and City Skyline- Island kitchen includes Fisher + Paykel appliances & cocktail bar- Natural stone BBQ and Limestone tile terrace adjoins lush garden & a magnesium pool- North-East facing with all day sun in the backyard- Master suite with hotel-inspired ensuite, walk-in robe & balcony- Built-in robes, home office with workstation, secluded guest room + multiple living spaces- Bathrooms with PARISI bathware, curved showers & Spanish tiles- Double glazed windows throughout the home, ample storage across both levels- Garage, CCTV, keyless entry, alarm, surround sound, 8 zone A/C
