In a popular neighbourhood fiercely sought by families, this single-level, street-fronted home offers up a spacious option for anyone looking for modern low maintenance living. With no shared land and providing a very liveable layout, it is situated just moments from an array of fabulous amenities. Attractive from the road, the contemporary façade gives way to reveal high ceilings which enhance the feeling of space and flow to the focal point of the floorplan, a sensational open plan living and dining zone tucked to the rear. Enjoy quiet evenings or fabulous events with friends here as you whip up a storm in the sparkling stone kitchen - in summer, head out to the mod-grass garden which demands the minimum of maintenance. Three bedrooms are a desirable drawcard and families will love the zoning that gives parents a peaceful ensuite master with walk-in wardrobe at the front of the home - a pristine family bathroom with convenient separate WC is also offered together with a laundry with yard access, whilst a concealed study nook is a real highlight. Ducted heating, a split system, water tank and shed plus internal entry to a large double auto garage finalise a smart opportunity. Moments to Belvedere Park Primary School, the pub, shops & eateries, this prime position is also within easy reach of Belvedere Reserve & recreation along with the M11 Mornington Peninsula Freeway and M3 Eastlink Freeway for an effortless commute.
