Welcome to 26b Elvira Street Palmyra.

Located close to schools, parklands, transport and all amenities in one of Palmyra's most desirable streets, close to the East Fremantle/Bicton border on an elevated 576 sqm private rear block with its own secure driveway, this wonderful family home has been transformed, restored and renovated to a very high standard allowing the next owner to just move in and enjoy. As you enter the home you are welcomed by a sense of space immediately with the open plan living, dining and kitchen area blending in perfectly. A state of the art modern kitchen, appliances, lighting and flooring throughout, compliment the sharp overall appearance of the home, together with extras including R/C ducted A/C, ceiling fans, plenty of built in storage, insulation and Solar HWS. Both the ensuite, main bathroom, laundry and 2 W.C.s have been completely remodelled in a stunning fashionable finish. Behind the secure auto locking driveway gate, exists a lock up garage, plus a single carport as well as plenty of other open area for vehicle parking. The rear reticulated gardens and lawn area are surprising spacious with plenty of room for kids and pets to roam, established garden beds to grow your favourites, as well as a private undercover alfresco area to entertain all year round. Its all here in a very special enclave of Palmyra just waiting for the next lucky owner to sit back, relax and enjoy.
