This open plan 2 bedroom home with study and sunroom at rear has a large dining area with cathedral ceilings and reverse cycle airconditioner. With large bedrooms and a large main bedroom and an ensuite this beautiful home is ideal for the retired couple with few stairs and ramps at rear and a double tandem carport and tool shed at rear. With a spacious kitchen, dishwasher and large preparation area facing north the home is light and airy with a big pantry. Located in the popular Newport Village this lovely home is available to view now. When you purchase in a lifestyle village so you pay NO stamp duty, NO strata fees, you do however pay a site fee and costs to the management.
