## **Offers From \$265,000**

Located on the doorstep and entry to WA's heritage capital and working port of Fremantle. This little pocket has recently seen a revitalization with new developments a massive revamp of the city Centre which adds a great new dimension to the heritage and surrounding culture of Fremantle. Wander to all sorts of bars, restaurants, festivities, parks and beaches from this compact and highly convenient studio apartment. The cleverly designed unit features innovative ideas like a Murphy bed that folds back into the wall to create maximum living space when required. A good sized bathroom/laundry, a study desk and galley style kitchen all open out to your street side balcony to watch the world go by. A fabulous opportunity to get into the Freo market, astute investors will see the benefits and returns of this modern complex and location. I look forward to introducing you to the neighborhood. Call Nathan for further details.
