Strong and solid, big and spacious and designed to comfortably accommodate multi-generational living, watch your family grow happily ever after inside this unique two-storey, seven-bedroom home in one of Bulleen's most exclusive pockets. Featuring two bedrooms, two bathrooms, sauna, abundant storage, open-plan living and a spacious kitchen downstairs plus a further five bedrooms, three bathrooms, two living areas, family-sized kitchen, plenty of storage and alfresco entertaining upstairs, harmonious extended family living under the same roof is a given here. The young family has the freedom to live independently in one section of the home, with older family members living peacefully in the other. Very well-built with brick and concrete construction on a magnificent 1,340sqm (approx.) block with spectacular city views, this stately home represents a fantastic renovation opportunity, while developers can also take full advantage of the huge 46.6m (approx.) street frontage and redevelop (STCA) within walking distance of schools, Bulleen Plaza, transport and Yarraleen Reserve and minutes from recreational parklands, the Eastern Freeway/EastLink and Westfield Doncaster.
