Living by the waterside offers scenic views, a tranquil ambiance, and potential access to recreational activities such as boating, fishing, or simply enjoying the waterfront scenery. A large study room provides residents with a dedicated space for work, study, or pursuing hobbies, contributing to productivity and comfort within the home. A pathway along the waterfront allows residents to enjoy outdoor activities like jogging, walking, or cycling in a picturesque setting, promoting an active and healthy lifestyle. Being within walking distance to a shopping mall and public transportation options makes daily tasks such as grocery shopping and commuting more convenient, saving time and reducing reliance on personal vehicles. The property features security measures to ensure the safety and well-being of residents, providing peace of mind and a sense of security. For inspection please call 0405 211 111
