\$150,000

Sold in conjunction with the neighbouring property is this block, 1701sqm & is currently registered as a truck depot & would make an ideal mechanical workshop. There is an office & reception area, workshop with toilet facilities, a 2 bay workshop/storeroom is attached. At the rear is an open 2 bay shed/workshop all joined by concrete hard stand. There is an oil separator in place. This property offers you the opportunity to run your business with excellent highway frontage & live next door in a very comfortable home
